

# Watermelon & mint infused water ingredients

*2.5L of cold water*

*60g mint*

*1kg watermelon*

## preparation

1. Cut watermelon into large dice (skin can be left on)
2. Pick the mint leaves

## method

1. Place the water in to a large container
2. Add the diced watermelon & mint
3. Cover the water & leave overnight to infuse
4. Pour the water & ingredients in to the dispenser to serve
